

Hilldale Community Association AGM

Thursday 26th September 2012

Come along to Hilldale Village Hall on Thursday 26th September at 7.30pm and meet the Hilldale Community Association team. This is an ideal opportunity for you to meet friends and neighbours and have your say in future Hilldale events.

Cheese, Wine and refreshments will be served throughout the evening.

Everyone is welcome.

Although the weather let us down, the number of villagers who turned out was amazing and we really do appreciate the time and effort of everyone who gave up their time, made a donation or just simply came along on the day to support the Village. Please come along to our AGM to hear more details on how we are using the money raised at the village Fair to improve village life, we would welcome your input.

Hilldale Community Association Grants

We are delighted to have been awarded the following grants: May Blake's Older People's fund - £250. David Westley's fund, £270. We also have a few applications still being considered, these are: Community Chest - £475 and Lancashire Environmental Fund - £5,625. One of our objectives is to install a soft surface under the large play frame in the Playing Fields, so the children can use it all year round. However we would welcome any help or idea's for future grant applications.
